LOCAL TELEPHONE EXCHANGE SERVICE

Exchange: KALEVA

A. GENERAL

1. The provision of service at the rates shown below is subject to the regulations given in the General Rules and Regulations as they now exist and are filed with and form part of this Tariff.
2. The rates shown below entitle the customer to messages to all stations bearing the designation of a central office of the following exchanges, which comprise the Local Service Area:

ZONE 1: KALEVA, BRETHERN, DUBLIN, WELLSTON (C)

ZONE 2: BEAR LAKE, COPENMISH-THOMPSONVILLE, HARRIETA, HOXEYVILLE, IRONS, MANISTEE, MESICK, ONEKAMA (C)

3. The Company will designate local calls as "Local VNXX Calls" if they meet all of the following criteria:
  - a. The dialed phone number is associated with a rate center included in the calling party's Local Calling Area,
  - b. The end user associated with the called number is not physically located within the rate center associated with the dialed phone number,
  - c. The rate center in which the dialed party is physically located is not within the customer's Local Calling Area,
  - d. The provider of Basic Local Exchange Service to the dialed phone number does not agree to compensate the Company for those calls per the Company's applicable access tariff based on the jurisdiction of a call to the physical location of the dialed party, and
  - e. The Company has posted numbers meeting the above four criteria on the Company's website. If a customer so requests, the Company will block direct dialing to all Local VNXX Calls.

For Local VNXX Calls, the Company will charge \$0.04 per MOU plus any local termination charges billed to the Company for that call.

4. The Company will block 1-plus dialed calls to stations within the local service area (except 8YY calls). (C)

LOCAL EXCHANGE SERVICE

APPLICATION OF BOUNDARY DESIGNATIONS

A. GENERAL

1. Boundaries for Exchange Areas are designated on maps in Tariff M.P.S.C. No. 1.
2. Each establishment is considered to be within only on Exchange area. The term "establishment" denotes the actual building occupied by the customer where telephone service is located.
3. Where the boundary is designated as a road (street or highway), the exchange includes both sides of the road when the exchange plan facilities serving the area are located along one side of the road. A customer's establishment located on the far side of the boundary is considered to be within the exchange if that establishment has an address on the road and can be served by aerial or buried facilities, not to exceed 500 feet airline distance, measured from the center of the road to the nearest point of the customer's establishment.
4. Service will not be extended to customer's establishments located on the far side of the boundary road under the following circumstances:
  - a. Where the nearest point of the customer's establishment is more than 500 feet airline distance, measured from the center of the road which is a common exchange boundary.
  - b. Where the customer's establishment is part of a complex (trailer park, shopping center, apartment cluster, etc.) on the same continuous property, a portion of which exceeds the measurement of 500 feet.
  - c. Where the customer's establishment can, at the discretion of the Telephone Company, be served by facilities provided from the exchange in which the establishment is located.
5. Where the boundary is designated at the center of the road (street or highway) each side of the road is in a different service area.
6. Where the boundary is designated as a river (stream) or railroad, each side of the river or railroad is in a different service area.
7. Where the boundary is not on a road, customers are served in accordance with their location with respect to the boundary.
8. Where the exchange boundary adjoins that of another telephone company, that company's tariff provision's apply if they are more restrictive than the provisions contained herein.

JOINT USER SERVICE

A. GENERAL

1. Joint User Service is an arrangement whereby a person or firm - designated a Joint User - permitted to use the Service of a customer. To facilitate this use, a directory listing is provided for each Joint User.
2. Joint User Service is provided only in connection with individual line business service and private branch exchange business service. The use of residence service by persons other than the customer is provided for under Extra Directory Listings.
3. The Joint User must be located in the same office or suite of offices and the customer, or in an office immediately adjacent thereto as connected therewith by passageways other than public passageways.
4. Joint User Service is not furnished in association with the service of a customer who is engaged primarily in performing service of a secretarial nature or who is in the business of renting space to transient or permanent tenants.
5. No separate ring numbers or distinctive designations are assigned for the purpose of signaling Joint Users.
6. Joint User Service must be contracted for by the original customer who is required to assume responsibility for all charges incurred by the Joint User.
7. Charges for Joint User Service date from the day the Joint User relationship is established. The Joint User Service is automatically discontinued upon termination of the main service. The minimum charge for Joint User Service, however, is the charge for the period of one month.
8. After listing of a Joint User has been inserted in the directory, such Joint User Service shall not be discontinued during the life of the directory - but not to exceed on year unless;
  - a. The main station service is discontinued at that location.
  - b. The Joint User moves from the premises in which the main station is located.
  - c. The Joint User establishes main station service on the same premises.

B. RATES

1. Joint User Service, including one listing in the directory, is furnished at the rate of fifty percent of the individual business line rate.

LOCAL TELEPHONE EXCHANGE SERVICE

LIFELINE SERVICE

A. DESCRIPTION

1. Lifeline Service applies discounts to monthly recurring rates for qualifying residential customers. These discounts are applied to existing tariffed rates and charges for residential telephone service.
2. In order to be eligible for Lifeline Service a residential customer's household income must be at or below 150% of the poverty level as determined by the United States Office of Management and Budget and as approved by the State Treasurer or the customer must participate in one of the following federal assistance programs:
  - a. Medicaid
  - b. Supplemental Nutrition Assistance Program (SNAP) - Food stamps (C)
  - c. Supplemental Security Income (SSI)
  - d. Federal Public Housing Assistance/Section 8
  - e. Low Income Home Energy Assistance Program (LIHEAP)
  - f. National School Lunch Program's free lunch program
  - g. Temporary Assistance for Needy Families (TANF) aka Family Independence Program. (C)
3. Lifeline Service includes the services and functionalities enumerated in by the F.C.C. as follows: voice grade access to the public switched network; local usage; dual tone multi-frequency signaling or its functional equivalent; single-party service or its functional equivalent; access to operator services; access to interexchange service; access to directory assistance; and toll blocking for qualifying customers.
4. Other services can be provided with the Lifeline Service at applicable rates and charges.

B. REGULATIONS

1. Regulations specified elsewhere in the Company's tariffs apply to Lifeline Service.
2. Lifeline Service is available only with residence services, excluding foreign exchange service. Lifeline Service is limited to one line per household at the customer's primary residence.
3. A miscellaneous service charge does not apply when Lifeline Service is added or discontinued to existing service when that is the only work being done.
4.
  - a. A discount of 20% of the Basic Local Exchange rate or \$11.25, whichever is greater, on the monthly rate for Basic Local Exchange Service for Lifeline customers is applicable. For Lifeline customers 65 years of age or more, the discount will be 25% of the Basic Local Exchange rate or \$12.35, whichever is greater. The total discount shall not exceed 100% of all end-user common line charges and the Basic Local Exchange rate.
  - b. The credit will be applied in the following order: (1) The Interstate End User Access Charge, National Exchange Carriers Association, Inc. Tariff F.C.C. No. 5, Access Service. (2) The Access Recovery Charge, National Exchange Carrier Association, Inc. Tariff F.C.C. No. 5, Access Service, End, and (3) The balance of the credit, if any, will be applied as a credit to the Basic Local Exchange rate. (C)  
(C)  
(C)
  - c. The Company will provide, at the qualifying customer's option, toll blocking service at no charge. The Company defines toll blocking as a service provided by the Company that lets the customer elect not to allow the completion of outgoing toll calls from their telecommunications channel.
  - d. The Company will not require a service deposit in order to initiate Lifeline Service if the qualifying customer voluntarily elects toll blocking service.
  - e. The Company will not disconnect Lifeline Service for non-payment of toll charges by qualifying customers.
5. The Lifeline plan will apply after receipt and processing of a completed Company or community/government provided application, including documentation indicating that the household income meets the eligibility standards established above.
6. Customers of Lifeline Service must notify the Company of any changes which would affect qualification. Reverification of eligibility will take place on an ongoing basis. When the customer is no longer eligible for Lifeline service, the Lifeline discount would be discontinued and regular tariff rates and charges would apply.
